Peregian Beach College

Welcome to our tennis academy

Located on Queensland's Sunshine Coast, the elite tennis academy is an exclusive training program that is carefully integrated into academic studies. We provide an exceptional balance of vocational training alongside private academic tuition.

Ash Tennis has partnered with Peregian Beach College to develop and nurture young tennis players on and off the court.

The elite tennis academy offers an unrivalled opportunity for the most dedicated of tennis players to maximise skill development, tactical play and strength and conditioning through specialist coaching. Students will gain exposure to leading tennis industry professionals, resulting in potential career pathways.

Together with sports science support, students gain a deep understanding of the moving body, as well as the tools to preserve and enhance their mindset and physical ability while working at an elite level. The tennis academy values promoting a fit and healthy lifestyle using tennis as a vehicle to achieve this goal.
