

ICT Requirements: Computing Devices for 2024

Years 2 – 6 Apple iPads 2024

We are an Apple Device School and Students are required to have the following device.

iPads that are:

1. 2021, 2022, 2023 and 2024 Models
2. Minimum 256gb storage
3. Wi-Fi version (4G Cellular not needed)

These Apple iPads run the latest iPad OS 17 which enables the latest apps to be used.

iPads are Not to be loaded with personal movies, games or data.

iPad Minis are Not recommended due to the screen size being too small when typing with the keyboard or doing large amounts of work.

In addition to the iPad itself, we also recommend the purchase of some additional items to protect your investment:

- Screen protector
- Cover/case
- Extended warranty
- Stylus

Retailers have different packages, so it is worth shopping around to get the best deal.

When choosing your next device, please also check the refurbished section of Apple's website for great bargains and deals on different models. The College uniform supplier, The School Locker has an advantage program and offers education pricing: <https://theschoollocker.com.au/schools/peregian-beach-college/technology>

Peregian Beach College has put together an 'Apps List' of required iPad software. You will need to set up an Apple account to manage the purchase of iPad software 'Apps'. Please see 'Apps List for 2024'.

Prior to term start new students will be sent username, password and information about applications to download and login.

When at school you will be able to login to school Wi-Fi (PBC Wifi) with your username and password.
