2028 SCHOLARSHIP APPLICATION FORM

For current students seeking consideration for the 2027 academic year

All existing Academic Scholarships are reassessed annually. Applications are considered during September/October and consider academic merit, learning behaviour, leadership qualities, extracurricular and community involvement, commitment to studies and contribution to the College community. Reapplication does not guarantee renewal or the same scholarship level.

1. STUDENT DETAILS

Student full name	
Date of birth	
Current year level (2027)	
Year level in 2028	
Current scholarship level (if known)	
Parent/Guardian name	
Parent/Guardian email	
Parent/Guardian phone	

2. REQUIRED DOCUMENTS

Please attach the following to this reapplication:

- ☐ Two recent school report cards
- ☐ Completed reapplication form
- ☐ References from two academic staff supporting your scholarship application
- ☐ Additional supporting information (optional)

Applications cannot be fully assessed until the required school reports have been provided.

3. FEE ACKNOWLEDGEMENT

Any scholarship offered applies to the tuition fee component of College fees only. All applicable College levies remain payable.

5. LEADERSHIP & COLLEGE / COMMUNITY CONTRIBUTION

Leadership roles / responsibilities	
Extracurricular or co-curricular activities	
Community involvement / service	

Summarise the student's leadership, extracurricular achievements, service and contribution to College or community life during the past 12 months.

6. STUDENT STATEMENT

What are your academic goals for 2028, why would you like your scholarship to be reconsidered, and how will you contribute positively to the College community?

7. PARENT / GUARDIAN DECLARATION

I/We confirm that the information provided in this reapplication is accurate and understand that scholarships are subject to annual reassessment. I/We understand that submitting this form does not guarantee a scholarship offer or renewal at the current level, and that any formal scholarship offer will be issued following assessment.
