Schedule of Fees 2026

New Academy Enrolments

Thank you for your expression of interest in our combined academy and tuition program.

Sunshine Coast Sporting Academy and Peregian Beach College have partnered to provide this fantastic scholar development opportunity.

Annual Academy Fee Information

The academy program consists of both DEVELOPMENT and FULL-TIME opportunities.

Both programs follow a similar training schedule, however the Full-Time students receive a scholarship, under a percentage scheme for their tuition fees from Peregian Beach College (levies remain payable to the college).

The Development students are full fee-paying students.

Annual Fees and Levies for Every Athlete

Payable to Peregian Beach College*

The Sports Academy Levy

The sports academy levy assists with the costs incurred in running training activities within, and outside of school hours. These costs may include, but are not limited to cleaning, electricity, sports facility maintenance, administration, equipment, transport (to offsite training sessions only) and academy staff development.

General Purpose Levy

The General-Purpose Levy covers (but is not limited to) the cost of basic classroom resources, sports equipment, maintenance of the swimming pool, music use licenses, musical instruments, print & digital copy licenses, Screen-rights & Performance licenses and student accident insurance.

Technology Levy

The Technology Levy provides for the cost of maintaining services, wi-fi, microwave link, optic fibre, internet access, hardware such as Interactive Touch TV's, standard TVs, iMacs, iPads, and desktop computers. The levy also contributes to the cost for internet security, software and online licenses for students.

Camp & Activity

College camps and activities (excursions/incursions) provide a range of personal and learning experiences differentiated for age, ability, subject matter and interest. These form an important part of the school curriculum and are compulsory to attend. Individual camps and activities will be invoiced when permission forms are distributed and are to be paid on submission. The above table can be used as a guide for each year level. Please note that camp and activity events are subject to change and that parents will always be provided with sufficient notice for dates and costs. Senior students may incur separate fees for specialty subjects selected however the total cost of these should not exceed the amounts listed below.

Registration Fee (One off payment)	$165.00
Enrolment Fee (One off payment)	$275.00
